

BUSINESS PROCESS DOCUMENTATION

HOTEL FINANCIAL CONTROL

MISSION: To deliver exceptional hospitality experiences while maintain absolute operational integrity through transparent, cashless financial processes, standardized logging, and zero-tolerance revenue leakage across all operating departments.

VISION: To establish the enterprise as a premier mid-sized hospitality model recognized for seamless guest service delivery, robust financial controls, and data-driven operational management.

GOAL:

1. 100% cashless policy to eliminate unrecorded physical cash transactions across all four revenue centers.
2. Full Inventory accountability in order to reduce unverified bar inventory losses(breakage/spoilage) to under 1.0% of total F&B gross revenue.
3. To attain a net zero variance between physical bank/POS credit logs and recorded departmental sales during every audit cycle.
4. To standardize 100% of inter-departmental transactions.

FUNCTION AREAS: Front Desk Management, Food & Beverages (F&B), Housekeeping, Audit
